## My experience of PROS - for healthcare professionals

This form has several questions which you can fill out and give to a healthcare professional, such as a doctor, GP, or counsellor. It will give them some understanding of how PROS can impact your life and you can highlight any concerns that are bothering you the most at the time of your appointment.

**What are the 3 biggest concerns about your PROS that you have at the moment?**

1.....

2.....

3.....

How does PROS impact your mental wellbeing?

How does PROS impact your physical health?

What is the main thing you would like healthcare professionals to know about PROS?
